The United States entered recession in January 1980 and returned to growth six months later in July 1980. Although recovery took hold, the unemployment rate remained unchanged through the start of a second recession in July 1981. The downturn ended 16 months later, in November 1982. The economy entered a strong recovery and experienced a lengthy expansion through 1990.

The AMC Concord is a compact car manufactured and marketed by the American Motors Corporation for model years 1978-1983. The Concord was essentially a revision of the AMC Hornet that was discontinued after 1977, but more luxurious, quieter, roomier, and smoother-riding than the series it replaced.

AMC Concord - Wikipedia
This book is the source for GMC and Chevy parts interchanges. Many parts, from engines and alternators to body panels and door handles, are interchangeable among models and makes. This book allows you to look up a part for your truck and find which other GM vehicles used that same part. With this information, you can interchange parts between different model and year cars, improve your odds of ...
