Write the vocabulary and grammar from the test you didn't know in your notebook, and test yourself on it at least 3 more times over the next week or two. You can then try the same test again to check your memory, make the language really stick in your mind, and boost your confidence. Set yourself a vocabulary goal. For example, if you learn 5 words a day for a year that will mean more than 1500 new words you can understand in English and being a whole level higher in reading comprehension.

100 ways to improve your TOEIC score - UsingEnglish.com

Put yourself in an all English speaking environment where you can learn passively. The best way to learn is through speaking. Practise every day. Make yourself a study plan. Decide how much time a week you are going to spend studying and stick to it. Establish a routine. Tell your family and friends about your study plan. Get them to push you to study and also don't let them interrupt you.
