Reviews | Cars.com

The revised version
of the car was

launched as the

Arnage Red Label

in October 1999. At

the same time, but

without the

fanfare, Bentley

made several

minor

modifications to

the original BMW

engined cars, and

Where To Download 2000

designated them as the "Arnage Green Label" for the 2000 model year. As part of the modification process, both Red and Green Label cars received stiffer body shells and larger wheels and brakes.
