These released practice tests are available through the STAAR Online Testing Platform. The online practice tests are not available for printing or scoring. If you would like to score your student ' s online practice test, you should direct your student to record his or her answers on a separate sheet of paper.

STAAR Released Test Questions | Texas Education Agency

During STAAR season, my school puts us on a modified schedule called the " Double-Double ", where ultimately, 5th grade students get three hours a day of Reading and Math in the month before they test, then flip to three hours a day of Science for a month before that test is administered. I must say our scores have benefited greatly from this, although I know my school isn ' t typical and this probably isn ' t possible for most campuses.
