What Arena Does Business Process Simulation. Few business decisions are straightforward. Changes in one area of your business impact other areas—often in ways not anticipated. Business process simulation software is an effective way to evaluate the full implications of business decisions before they are put into practice.

The Rockwell Arena is featured in the DLC: Aberration. It is accessed via a Beacon/Loot Crate or Obelisk, or found at his terminal located below Grave of the Lost. The King Titan Arena is featured in the DLC: Extinction. It is accessible near the Terminal itself, but does not function unless a King Titan is spawned.
