JaneVille: Art Quilt Collage: A Creative Journey in Fabric ...

Creating an art quilt fabric collage from a photograph is not difficult. For this tutorial, I will be using a very simple example so you learn the basics. These basics do not change even when the photo is much more complex—just break up the photo into manageable pieces and treat each one in the same way. I always start with a photo.

How to Create a Fabric Collage Art Quilt From a Photo ...

Margaret demonstrates how, through experimentation and play with digital art techniques, you can generate a number of images, turning them into Thermofax screens for use in surface design on a fabric collage or quilt. Photos can be reused, with photo-editing software, to create unlimited personal imagery. What are you waiting for?
