Breaking The Lines—Curated Football Opinions

"Breaking the Line is the story of the competition for the 1967 black college championship, told through the lives of the coaches and quarterbacks who endured prejudice at every turn, all while paving the way for integration of the sport of football at all levels. There is plenty of inspiring politics here, but the real pleasure is in the X's and O's: Freedman describes games with the proper mixture of glory and suspense that football can generate even when it's not being used as a ...
