THE BSA BANTAM LIBRARY.

Welcome to the site. Over the past few years I have cobbled together a collection of literature pertaining to the BSA Bantam motorcycle. I intend to use this site to make this information freely available for enthusiasts to use, rather than being ripped off by some bandit selling a bad photocopy for an extortionate fee. It is my understanding, that since BSA

The BSA Bantam is a two-stroke unit construction motorcycle that was produced by the Birmingham Small Arms Company (BSA) from 1948 (as a 125 cc) until 1971 (as a 175 cc).

Exact production figures are unknown, but it was over 250,000 [citation needed] and some estimates place the number closer to half a million. [citation needed. History.

Despite the Bantam being considered the archetypal ...

1952 BSA Bantam 125cc D1 As you can see from the photos, this is really great example of a D1 that has been sympathetically restored to a high standard. Until recently this bike was part of a museum collection and therefore it has not been run or ridden since its restoration, although I am sure it will take very little to get it running again.
