~~Practical~~ Guide to Airline Customer Service is written for airline executives, university lecturers and undergraduate students who are preparing for jobs in the service industry related to airline operations.

~~A Practical Guide to Airline Customer Service: From ...~~
CUSTOMER SERVICE TRAINING. "If we don't take care of our customers, someone else will. - Unknown". Providing excellent customer service is very important in the airline industry, just as in any other industry. The power of customer service can boost sales and retain customers for life. In a nutshell, good customer service is service that makes your customer feel special,

~~Travel Nunavut~~

While this manual mainly addresses “external customers,” expanding your definition of customer service to include co-workers will lead toward even greater success. Remember, the internal customer chain is just like the external, we are all customers both inside and outside the company or organization.

Finally, the most important benefit of customer service training is increased productivity, efficiency, and effectiveness. It is cheaper and faster to do the job right the first time. Satisfying an unhappy customer costs a lot more, both in dollars and cents, than satisfying a customer on the first try. 2 CUSTOMER SERVICE TRAINING 101

Our training programmes. We are incredibly proud of the exceptional service we provide to our customers. Our people are at the heart of our success and our superb training is second only to our ability to attract fantastic people to the airline. As a regulated business we're also used to training people to the highest standard and in 2005 we became the first airline to be accredited by the Chartered Management Institute to provide our own Diploma and Certificate qualifications.
