Democracies
Democratic institutions in the post-Cold War era have come to be seen as the only legitimate forms of governance. But the longstanding legacy and frequent incidence of military rule over the past half century continue to threaten newly instituted democratic regimes. The disintegration of order and government in many societies in recent years, under the pressures of violent conflict and ...

Governing Insecurity - ZED Scholar

This book examines the governance of security and insecurity in developing and former communist countries that are becoming more democratic. The book asserts that to ensure the military is governed in a democratic manner, it requires that democratic institutions be in place, and a basic acceptance of democratic politics by the political leadership, civil servants and security personnel.

Democratic control of military and security institutions is strategic to democratisation for two reasons. Firstly, these institutions have an intimate relationship to political power. And secondly, their security functions, including the management of insecurities that may be generated by democratisation, are essential for the survival of any democratic state.
