When you start on training your Mastiff puppy,

make sure to get him properly exercised. This will coincide

with house training.

Mastiffs like the outdoors as they do the indoors, but

more so because
they have bigger
ground to play.

Basic Mastiff
Training The
main reason that
you should
engage in
mastiff training
is primarily to
teach your dog
to behave the

right way.

Consequently,
doing training
also teaches

your dog what

are the wrong
things he

shouldn't pick

up. There are

two kinds of
training then

that all dog
owners should

learn about.

Training

Puppy training starts the moment you bring your puppy home.

If you use the wrong teaching method, your puppy will begin making decisions about how he wants you to fit into his life, and that's a

recipe for
conflict and
behavior
problems.

Whatever your
puppy does, you
must react
properly or he
will learn the
wrong things.
