### Questions and Answers

Mechanical Engineering Interview – Questions and Answers. Last updated on November 19th, 2020 at 09:36 am. A typical interview process for this position consists in three stages: Personal questions (interviewers inquire about your education, motivation, goals, and previous working experience in the field).

Behavioral questions (interviewers try to assess your attitude to pressure, deadlines, conflicts in the workplace, and to other situations that belong to a daily job of an engineer).
