Nacre (/ ?ne?k?r / NAY-k?r also / ?nækr? / NAK-r?), also known as mother of pearl, is an organic-inorganic composite material produced by some molluscs as an inner shell layer; it is also the material of which pearls are composed. It is strong, resilient, and iridescent.

[Nacre - Wikipedia](#)

Mother of pearl is the common name for an iridescent nacre coating, a blend of minerals that are secreted by oysters and other mollusks and deposited inside their shells, coating and protecting them from parasites and foreign objects. Mother of Pearl vs. Pearl A pearl is also composed of nacre.

Definition of mother-of-pearl. : the hard pearly iridescent substance forming the inner layer of a mollusk shell.

## Mother-of-pearl | Definition of Mother-of-pearl by Merriam ...

Mother of Pearl, which is also known as nacre, is an iridescent layer of material that makes up the lining of many mollusks. The most common source of this material are abalone and pearl oysters. A common use is as an inlay in many musical instruments, furniture, and jewelry pieces.

## Mother of Pearl: Meanings, Properties and Powers - The ...

Mother of pearl is the term used for the iridescent substance that forms the inner layer of the shell of some mollusks. It's often used to make unique pieces of jewelry, among other uses, that have a boho-chic aesthetic.

## What is Mother of Pearl? Everything You Need to Know ...

Mother-of-pearl is the nacreous inner shell coating of pearl-producing mollusks. These creatures have three layers to their shell; the outermost periostracum, followed by a layer of calcite and then the innermost layer of nacre (mother-of-pearl). This smooth part of the shell is produced by the mantle of the mollusk as it grows.

## Mother of Pearl Gemstone Information - GemSelect

Mother of Pearl is a gemstone that has a meaning and properties of being generous. Great energy of ocean is in the gemstone because it is made of shells. Just as the mother ocean, it has wonderful generosity that can accept anything. This gemstone is used when you want to relive suffering.

## Mother of Pearl Meanings - Gemstone Dictionary

"In five years, Amy Powney has turned her fashion brand, Mother of Pearl, into one of the most sustainable - and wearable - clothing labels in the country, and at the same time become a voice for a new generation of designers." - Sunday Times Style

## Mother of Pearl | Sustainable Contemporary Fashion ...

Mother of pearl is created by all nacre producing mollusks. Yet, only a very small percentage will be infused by a foreign particle and go on to create pearls. Therefore, pearls are rarer than mother of pearl, making them much more expensive.
