I am a die hard Motrhead fan and I have the tendency to be buyest with their music but seriously, "Overkill" is the seed that gave birth to 100's of bands down the road with this double bass style that hits you in the face straight from the first track. As a kid I remember buying "No sleep "till.."

Overkill is Motorhead in its classic form. This album ranges from proto-thrash and speed metal to rock n roll and at times, there is a significant amount of blues influence as always with Motorhead. "Overkill" starts off this album with the famous double pedal drum beats. Lemmy is at his best on this track.
