Online Library Old Handwriting Discovering

Even if you were taught growing up to write with cursive handwriting, it can still be tricky to read! Here are five tips to help you tackle those difficult to read handwritten documents that will

Online Library Old Handwriting Discovering

inevitably cross your path on your discovery of your own family history: 1. Read the entire document quickly to get the context. Even if you feel like you don't understand anything on the page, your eyes will start

Online Library Old Handwriting Discovering

to get familiar with the handwriting, and you will begin to recognize some words.

5 Tips for Deciphering Old
Handwriting | Legacy Tree

Page 30/52

Online Library Old Handwriting Discovering

...

Step 1, Make copies. To protect the primary source, never work with the original document when possible. Scan and make several copies of the document. This way you can handle the document

Online Library Old Handwriting Discovering

without fear of damaging it and you can make notations directly on the page.

Scanning will also allow you to enlarge portions of the document that may be particularly tricky to decipher. Step 2, Grab a
