Political Philosophy What It Is

Political philosophy, branch of philosophy that is concerned, at the most abstract level, with the concepts and arguments involved in political opinion. The meaning of the term political is itself one of the major problems of political philosophy. Broadly, however, one may characterize as political all those practices and institutions that are concerned with government.

political philosophy | Definition, History, Theories ...

Political philosophy, also known as political theory, is the study of topics such as politics, liberty, justice, property, rights, law, and the enforcement of laws by authority: what they are, if they are needed, what makes a government legitimate, what rights and freedoms it should protect, what form it should take, what the law is, and what duties citizens owe to a legitimate government, if any, and when it may be legitimately overthrown, if ever.

Political philosophy - Wikipedia

Political philosophy, also known as political theory, is the study of topics such as politics, liberty, justice, property, rights, law, and the enforcement of laws by authority: what they are, if they are needed and why, what makes a government legitimate, what rights and freedoms it should protect and why, what form it should take and why, what the law is, and what duties citizens owe to a legitimate government, if any, and when it may be legitimately overthrown, if ever.

What Is Political Philosophy? - slife.org

Political philosophy, then, is the study of the theories behind politics. These theories may be used to gain power or to justify its existence. Mostly, however, they have been used to justify or legitimate the existence of contemporary political structures by appealing to "rationality," "reason," or, among others, "natural law." Plato's Republic is a good starting point for political philosophy, however, it's really a treatise on education.

Introduction to Philosophy/What is Political Philosophy ...

Political Philosophy is a survey of twentieth-century political philosophy focused on twelve of the most ambitious practitioners of epic political theory: Arendt, Oakeshott, Strauss, Löwith, Voegelin, Weil, Gadamer, Habermas, Foucault, MacIntyre, Rawls, and Rorty.

Political Philosophy: What It Is and Why It Matters ...

In this book, Charles Larmore redefines the distinctive aims of political philosophy, reformulating in this light the basis of a liberal understanding of politics. Because political life is characterized by deep and enduring conflict between rival interests and differing moral ideals, the core problems of political philosophy are the regulation of conflict and the conditions under which the members of society may thus be made subject to political authority.

What Is Political Philosophy? | Princeton University Press

What is political philosophy? Ronald Beiner makes the case that it is centrally defined by supremely ambitious reflection on the ends of life. We pursue this reflection by exposing ourselves to, and participating in, a perennial dialogue among epic theorists who articulate grand visions of what constitutes the authentic good for human beings.

Political Philosophy: What It Is and Why It Matters eBook ...

A political philosophy is the concept by which an individual or group of people adopt specific viewpoints regarding the duties of a government and the way it interacts with the population of a nation, state or local region. Some of the major issues political philosophy deals with are the rights of individuals, legal concerns and property rights.

What is a Political Philosophy? (with pictures)

political philosophy: systematic reflection about the nature and purpose of political life. One might, however, wonder whether this is such a platitude after all. For the difference between the approaches just outlined seems to turn on which of the two terms receives the greater weight. Should political

What Is Political Philosophy - Brown University

Take this short quiz and find out! This quiz addresses your more fundamental philosophical bases, rather than superficials. Political ideologies spring primarily from philosophy; basing opinions only on issues is superficial at best. What do you really believe is the underlying golden principle?

What is your political philosophy? - gotoquiz.com

Once a branch of philosophy, political science nowadays is typically considered a social science. Most accredited universities indeed have separate schools, departments, and research centers devoted to the study of the central themes within political science. The history of the discipline is virtually as long as that of humanity.
