The Argument for Arguing Overview: Job How to win every argument Practical Argument~~

Our generalizations about law, rights, and other ideas pertinent to law and legal reasoning seek to articulate an argument about how we can best justify our actions and intentions as they apply to legal institutions. This chapter shows that the subject matter of practical jurisprudence is not the individual actions of officials or others, but institutions under which officials and citizens have special duties.

Practical Argument - Oxford Scholarship

Practical arguments are a logical structure used to determine the validity or dependencies of a claim made in natural-language arguments.

Practical arguments - Wikipedia
