When I was a Kids Minister searching for a curriculum to use in my ministry, my first task was to look at a curriculum's scope and sequence. A curriculum's scope and sequence is simply its plan. Scope indicates the content the curriculum intends to cover. Sequence indicates the order in which the content will be covered. Looking at a curriculum's scope and sequence will help you make a quick decision if the curriculum is worth

The following scope and sequence charts are designed to help you understand the basics of each curriculum (age, subject, number of lessons) but also the primary theological discipline that provides the main framework for the subject of the study. It is important to note that there is overlap when using these theological labels.

We built the Strong Kids scope and sequence on the seven teaching aims Jesus had during His earthly ministry. Identifying Jesus' aims helps you teach the Bible with purpose and clear goals in sight. Every lesson in the Strong Kids scope and sequence addresses at least one of Jesus' teaching aims. Each Strong Kids department is a two-year cycle.

Scope and Sequence. The Adventures with God scope and sequence gives you an overview of the major themes, biblical stories and scripture references for each of the three years, enabling you to see the big picture and helping you with advanced planning. Once all three years are available, you will then have the option of customizing the order of each trimester within the scope and sequence to fit your church's particular needs.
