Statistics for business and economics 11th edition 2011
There are a number of editions of the Statistics for Business and Economics out there and you have to be careful. I purchase the Eleventh edition of the book and the Student's Solution Manual. The two exactly align on every answer. Something to think about is that this book only includes the odd answers as the book only includes the odd answers. If you are looking for a comprehensive list of solutions, I'm guessing that you'd have to find the instructor solutions manual.

Student Solutions Manual for Statistics for Business and ...
For courses in Introductory Business Statistics. Real Data. Real Decisions. Real Business. Now in its Thirteenth Edition, Statistics for Business and Economics introduces statistics in the context of contemporary business. Emphasizing statistical literacy in thinking, the text applies its concepts with real data and uses technology to develop a deeper conceptual understanding.
