Your first encounter with tennis strategy and tactics probably happened early in your tennis career. You quickly realized that there is more to tennis than just fancy technique. Actually, you realized that technique doesn't mean anything against experienced players. Some of them play all sorts of shots with sometimes awkward, sometimes funny movements and yet they win matches.

Tennis Strategy and Tactics - How To Become A Smarter Player

From the practical perspective, a tennis player's technique/skills will determine what that tennis player is consistently capable of doing with the tennis ball through different types of strokes (forehand, serve, backhand, slice, etc.), in a variety of practice situations and then during a variety of match situations.
