The New Advisor Guidebook. Jill posted on June 01, 2007 01:12. Pat Folsom, Editor. Advisor training programs typically end just when the most critical part of an advisor's development begins—the experiential synthesis of the conceptual, informational and relational components of advising that is achieved student-by-student in the advising chair. As a profession, we should do more to help new advisors reach their potential by creating year-long new advisor development programs that ...
