Volume 2 of the books of the Philokalia builds upon many of themes written on in Volume 1 as one would expect. For those unfamiliar with the Philokalia, these are the writings of experienced Christian monks (spiritual fathers) to their novices (new monks) seeking to find the ways of becoming closer to God.

The Philokalia, Volume 2: The Complete Text by G.E.H. Palmer

The second volume consists mainly of writings from the seventh century, in particular by St Maximus the Confessor, the greater part of which has never before been translated into English. As in the first volume, the editors have provided introductory notes to each of the writers, a glossary of key terms, and a detailed index.
