and Sir Walter Raleigh but this goes much deeper into ordinary life.

**The Time Traveller's Guide to Elizabethan England:
Amazon ...**

This was as fabulous a read as Ian Mortimer's The Time Traveller's Guide to Elizabethan England. 10 star reads, even if you don't like history but do like non-fiction, you might well enjoy these books. Both books cover everything from the monarchical, political and religious institutions that governed the country right down to how the body was cleaned (with linen, which absorbs dirt and skin oils and was washed every day, rather than the body being washed).

Best-selling author Ian Mortimer transports viewers back to
Elizabethan England.

BBC Two - Time Traveller's Guide to Elizabethan England

Obviously, A Time Traveller's Guide to Medieval England was
a title calculated to gain my attention. The premise: a different
take on presenting an overview of a period of time, using the
format of a travel guide – something of a Fodor's England
1320 that might be found in the TARDIS. Exploring the
experience of all the senses, this should be a gem of a
resource to the writer of historical fiction or fantasy.

Australia: The Time Traveller's Guide (TV Series 2012) - IMDb

For now, at The Time Travelers Guide , we will be focusing on daily life in the 1860's and the Civil War Era. It seems like the best place to start, since it is something we more actively research and participate in at the moment. In the future, though, we hope to expand into other periods, like the 1940's and, maybe even Regency , and Rev War.
