What is LTL Freight?

Trucking Less Than Truckload Freight
Sell-side research analysts have made their
bets on trucking in 2021. Some believe a
continuation in consumer spending and
inventory restocking will benefit truckload
carriers while others see less-than-
truckload carriers gaining traction as the
industrial economy advances.

Unlike truckload shipping, Less-Than-Truckload freight is not loaded and provided on the same truck. Instead, LTL freight is transferred from truck to truck at various terminals until the freight comes to the location terminal. From there, it will be filled onto the last truck and provided to the consignee.

Understanding Less-Than-Truckload (LTL) Freight Shipping

Less than truckload (LTL) shipping is when you ship freight that takes up less than an entire trailer. When a shipment is less than 6 skids it is considered at LTL shipping. Full Truckload (FTL) shipping is when your shipment takes up an entire trailer and requires a dedicated run.

LTL Less-than-Truckload Shipping | Schneider

Less-than-truckload shipping or less than load is the transportation of relatively small freight. The alternatives to LTL carriers are parcel carriers or full truckload carriers. Parcel carriers usually handle small packages and freight that can be broken down into units less than 150 pounds. Full truckload carriers move freight that is loaded into a semi-trailer.

File Type PDF Trucking Less Than Truckload

Semi-trailers are typically between 26 and 53 feet and require a substantial amount of freight to make such transportation economical

Less-than-truckload, also known as less-than-load (LTL), is a shipping service for relatively small loads or quantities of freight—between 150 and 15,000 pounds. An LTL provider combines the loads...

Less-Than-Truckload (LTL) Definition - Investopedia

What is Less Than Truckload or LTL?

LTL shipments weigh from 150 lbs all the way up to 15,000 lbs and don't take up the whole space in the truck. Since your shipment alone won't need a full 48-foot or 53-foot trailer to transport, it is usually combined with other shipments from your carrier's other customers and you only pay for the space you take up in the truck.
