Talk for Writing is an engaging teaching framework developed by Pie Corbett, supported by Julia Strong. It is powerful because it is based on the principles of how children learn. It enables children to imitate the language they need for a particular topic orally, before reading and analysing it, and then writing their own version.

Objectives. Once you've  
sequenced your objectives  
within a given time frame,  
the next step is to create  
activities that will help  
students meet each  
objective. Decide which  
activities are most relevant  
to your desired objectives.

Lesson objectives are the key element in creating effective lesson plans. The reason for this is that without stated objectives, there is no measure of whether a particular lesson plan produces the desired learning results. Therefore, you need to spend time before creating a lesson plan by writing effective objectives.
