History Austro Hungarian Empire

Henry Worms De Pirbright

**The Habsburg Empire** Pieter M. Judson, 2016-04-25 A EuropeNow Editor’s Pick A Choice Outstanding Academic Title of the Year “Pieter M. Judson’s book informs and stimulates. If his account of Habsburg achievements, especially in the 18th century, is rather starry-eyed, it is a welcome corrective to the black legend usually presented. Lucid, elegant, full of surprising and illuminating details, it can be warmly recommended to anyone with an interest in modern European history.” —Tim Blanning, Wall Street Journal “This is an engaging reappraisal of the empire whose legacy, a century after its collapse in 1918, still resonates across the nation-states that replaced it in central Europe. Judson rejects conventional depictions of the Habsburg empire as a hopelessly dysfunctional assemblage of squabbling nationalities and stresses its achievements in law, administration, science and the arts.” —Tony Barber, Financial Times “Spectacularly revisionist... Judson argues that...the empire was a force for progress and modernity... This is a bold and refreshing book... Judson does much to destroy the picture of an ossified regime and state.” —A. W. Purdue, Times Higher Education “Judson’s reflections on nations, states and institutions are of broader interest, not least in the current debate on the future of the European Union after Brexit.” —Annabelle Chapman, Prospect

**The Collapse of the Austro-Hungarian Empire** Edmund Glaise von Horstenau, 1930

**The Dissolution of the Austro-Hungarian Empire, 1867-1918** John W. Mason, 2014-06-06 This book charts the history of the last fifty years of the Austro-Hungarian Empire from 1867 to 1918. it reveals that the Habsburg Monarchy, though not in a healthy state before 1914, was not in fact doomed to collapse. The author examines foreign and domestic policies and reveals the weaknesses inherent in the Empire. He also shows how the Austro-Hungarian Empire attempted to satisfy the claims of eleven distinct national groups.

**Austro-Hungarian War Aims in the Balkans during World War I** M. Fried, 2014-07-01 The conquest of Serbia was only one of the goals of the Austro-Hungarian Empire in the First World War; beyond this lay the desire to control much of South-East Europe. Employing previously unseen sources, Marvin Fried provides the first complete analysis of the Monarchy’s war aims in the Balkans and tells the story of its imperialist ambitions.

**The Afterlife of Austria-Hungary** Adam Kozuchowski, 2013-11-15 The assassination of Archduke Franz Ferdinand in 1914 was just one link in a chain of events leading to World War I and the downfall of the Austro-Hungarian empire. By 1918,
after nearly four hundred years of rule, the Habsburg monarchy was expunged in an instant of history. Remarkably, despite tales of decadence, ethnic indifference, and a failure to modernize, the empire enjoyed a renewed popularity in interwar narratives. Today, it remains a crucial point of reference for Central European identity, evoking nostalgia among the nations that once dismembered it. The Afterlife of Austria-Hungary examines histories, journalism, and literature in the period between world wars to expose both the positive and the negative treatment of the Habsburg monarchy following its dissolution and the powerful influence of fiction and memory over history. Originally published in Polish, Adam Kozuchowski’s study analyzes the myriad factors that contributed to this phenomenon. Chief among these were economic depression, widespread authoritarianism on the continent, and the painful rise of aggressive nationalism. Many authors of these narratives were well-known intellectuals who yearned for the high culture and peaceable kingdom of their personal memory. Kozuchowski contrasts these imaginaries with the causal realities of the empire’s failure. He considers the aspirations of Czechs, Poles, Romanians, Hungarians, and Austrians, and their quest for autonomy or domination over their neighbors, coupled with the wave of nationalism spreading across Europe. Kozuchowski then dissects the reign of the legendary Habsburg monarch, Franz Joseph, and the lasting perceptions that he inspired. To Kozuchowski, the interwar discourse was a reaction to the monumental change wrought by the dissolution of Austria-Hungary and the fear of a history lost. Those displaced at the empire’s end attempted, through collective (and selective) memory, to reconstruct the vision of a once great multinational power. It was an imaginary that would influence future histories of the empire and even became a model for the European Union.

The Last Years of Austria-Hungary Mark Cornwall, 1990 The emergence of central Europe and the Balkans as a major area of interest and international concern in post-Cold War Europe have given the fall of the Habsburg Empire and the consequences of that fail considerable contemporary resonance. The Empire was an experiment in multi-national politics, and how different ethnic and religious groups live or do not live together is very much what this book is about. The eight essays in this volume seek to unravel the complexities of the final twenty years of Austria-Hungary and its eventual disintegration, tackling from different angles the political, social and international challenges to the Empire's existence. The book successfully fills a gap in the market between expensive textbooks and very specialist articles and monographs and as such will appeal both to students and to the general reader interested in the Habsburgs and the Great War. From reviews of the first edition: 'The essays provide new insights into the question of Habsburg endurance, while offering perceptive suggestions about its ultimate collapse . . . [The book] represents a valuable attempt to publish new research and new perspectives on familiar questions. Carefully edited and with an excellent set of maps and a solid bibliography, the book offers students and specialists alike fresh thoughts about the Habsburg Monarchy, the Soviet Union, and Yugoslavia.' -
What Life was Like at Empire's End
Time-Life Books, 2000
Examines what life was like for those who lived during the final years of the Austrian and Hungarian empires.

The Austro-Hungarian Dual Monarchy 1867-1918
András Gerő, 2008
The era of the Austro-Hungarian Empire occupying the second half of the 19th century is perhaps the most exciting period in the modern history of this region. In an atmosphere of increasing tension, as an empire doomed to collapse, it saw unparalleled economic, cultural and intellectual achievements, fundamentally influencing the cultures of the people and nationalities living there - both positively and negatively. This new study of the dual monarchy by accomplished Hungarian historian Andras Gero takes a modern look at the period by analysing the body, spirit and soul of the Empire, as well as exploring the daily lives of its citizens, problems of territory and nationality, and finishing with a look at the heritage it left behind.

The Habsburg Monarchy, 1809-1918
Alan John Percivale Taylor, 1972

The Dissolution of the Habsburg Monarchy
Oscar Jászi, 2018-09-03
The main factor which destroyed the Habsburg Monarchy was the problem of nationality and its dissolution was hastened, but not caused, by World War I. Oscar Jászi spent twenty years studying the dangers that threatened this monarchy but his practical plans for averting these dangers were not given a hearing until it was too late. This book was the culmination of Mr. Jászi’s theoretical and practical activity and was enthusiastically received when first published in 1929. “It is not only effective and dramatic narrative, it is also political science of the first order.” — Harold J. Laski “The work is a liberal education in Central European politics.” — Henry C. Alsberg, The Nation “There have been many books written on the breakup of the Austro-Hungarian Empire, but there is none which goes so deeply into the causes...in this pitiless yet pitiful analysis, rigorously buttressed with statistics, the tragedy is described without bitterness but with deep feeling.” — The Manchester Guardian

“The” Habsburg Monarchy
Alan John Percivale Taylor, 1948

Austria-Hungary and the Origins of the First World War
Samuel R. Williamson, 1991
A text on the coming of World War I in relation to the Austro-Hungarian Empire. Part of a series of specially commissioned titles focusing on significant and often controversial events and themes of world history in the present century.

A Short History of Austria-Hungary and Poland
Henry Wickham Steed, 2015-06-13
Excerpt from A Short History of Austria-Hungary and Poland
Austria-Hungary, or the Austro-Hungarian Monarchy (Ger. Österreichisch-ungarischt Monarchie or Österreichisch-ungarisches Reich), is the official name of a country situated in central Europe, bounded E. by Russia and Rumania, S. by Rumania, Servia, Turkey and Montenegro, W. by the Adriatic Sea, Italy, Switzerland, Liechtenstein, and the German empire, and N. by the German empire and Russia. It occupies about the sixteenth part of the total area of Europe,
with an area (1905) of 239,977 sq. m. The monarchy consists of two independent states: the kingdoms and lands represented in the council of the empire (Rcichsrat), unofficially called Austria or Cislcithania, because its territories lie west of the river Lcitha; and the lands of St Stephen's Crown, unofficially called Hungary or Transleithania, i*, across the Leitha. It received its actual name by the diploma of the emperor Francis Joseph I. of the 14th of November 1868, replacing the name of the Austrian Empire under which the dominions under his sceptre were formerly known. The Austro-Hungarian monarchy is very often called unofficially the Dual Monarchy. It had in 1910 a population of 49,454,385 inhabitants, comprising therefore within its borders about one-eighth of the total population of Europe. By the Berlin Treaty of 1878 the principalities of Bosnia and Herzegovina with an area of 19,702 sq. m., and a population (1895) of 859inhabitants, owning Turkey as suzerain, were placed under the administration of Austria-Hungary, and their annexation in 1908 was recognized by the Powers in 1909, so that they became part of the dominions of the monarchy. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Creation of the Austro-Hungarian Monarchy Gábor Gyáni, 2021-09-30 Recent collection of essays discusses the historical event and the multifarious consequences of the 1867 Compromise (Ausgleich, Settlement), conducted between the Habsburg monarch, Francis Joseph and the Hungarian political ruling class. The whole story has usually been narrated from a plainly Cisleithanian viewpoint. The present volume, the product of Hungarian historians, gives an insight into both the domestic and the international historical discourses about the Dual Monarchy. It also reveals the process of how the 1867 Compromise was conducted, and touches upon several of the key issues brought about by establishing a constitutional dual state in place of the absolutist Habsburg Monarchy. The emphasis is laid not on describing and explaining the path leading to the final and inevitable break-up of the Dual Monarchy, but on what actually held it together for half a century. The local outcomes of self-maintaining mechanisms were no less obvious in the Hungarian part of the Dual Monarchy, despite the many manifestations of an overt adversity toward it. The Creation of the Austro-Hungarian Monarchy will appeal to historians dealing especially with 19th-century European history, and is also essential reading for university students.

July 1914 Sean McMeekin, 2014-04-29 When a Serbian-backed assassin gunned down Archduke Franz Ferdinand in late June 1914, the world seemed unmoved. Even Ferdinand's own uncle, Franz Josef I, was notably ambivalent about the death of the Hapsburg heir, saying simply, It is God's will. Certainly, there was nothing to suggest that the episode would lead to conflict -- much less a world war of such massive and horrific proportions that it would fundamentally reshape the course of
human events. As acclaimed historian Sean McMeekin reveals in July 1914, World War I might have been avoided entirely had it not been for a small group of statesmen who, in the month after the assassination, plotted to use Ferdinand's murder as the trigger for a long-awaited showdown in Europe. The primary culprits, moreover, have long escaped blame. While most accounts of the war's outbreak place the bulk of responsibility on German and Austro-Hungarian militarism, McMeekin draws on surprising new evidence from archives across Europe to show that the worst offenders were actually to be found in Russia and France, whose belligerence and duplicity ensured that war was inevitable. Whether they plotted for war or rode the whirlwind nearly blind, each of the men involved -- from Austrian Foreign Minister Leopold von Berchtold and German Chancellor Bethmann Hollweg to Russian Foreign Minister Sergei Sazonov and French president Raymond Poincaré- sought to capitalize on the fallout from Ferdinand's murder, unwittingly leading Europe toward the greatest cataclysm it had ever seen. A revolutionary account of the genesis of World War I, July 1914 tells the gripping story of Europe's countdown to war from the bloody opening act on June 28th to Britain's final plunge on August 4th, showing how a single month -- and a handful of men -- changed the course of the twentieth century.

The Austro-Hungarian Empire Henry Worms De Pirbright,2023-07-18 This insightful study of the Austro-Hungarian Empire provides a detailed analysis of the political forces and personalities that shaped its history from 1866 until the early 20th century. Written by Henry de Worms, Pirbright (Baron), it is an indispensable resource for anyone interested in the politics of central and eastern Europe. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
For the past 100 years some of the greatest historians and political scientists of the twentieth century have picked apart, analyzed and reinterpreted this sequence of events taking place within a single month in July/early August 1914. The four years of fighting during World War I destroyed the international system put into place at the Congress of Vienna in 1814/15 and led to the dissolution of some of the great old empires of Europe (Austrian-Hungarian, Ottoman, Russian). The 100th anniversary of the assassination of the Austrian successor to the throne Archduke Francis Ferdinand and his wife Sophie in Sarajevo unleashed the series of events that unleashed World War I. The assassination in Sarajevo, the spark that set asunder the European powder keg, has been the focus of a veritable blizzard of commemorations, scholarly conferences and a new avalanche of publications dealing with this signal historical event that changed the world. Contemporary Austrian Studies would not miss the opportunity to make its contribution to these scholarly discourses by focusing on reassessing the Dual Monarchy’s crucial role in the outbreak and the first year of the war, the military experience in the trenches, and the chaos on the homefront.

History Austro Hungarian Empire Introduction

In today's digital age, the availability of History Austro Hungarian Empire books and manuals for download has revolutionized the way we access information. Gone are the days of
physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of History Austro Hungarian Empire books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of History Austro Hungarian Empire books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing History Austro Hungarian Empire versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, History Austro Hungarian Empire books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you’re a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing History Austro Hungarian Empire books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for History Austro Hungarian Empire books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and
historical documents. In conclusion, History Austro Hungarian Empire books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of History Austro Hungarian Empire books and manuals for download and embark on your journey of knowledge?

FAQs About History Austro Hungarian Empire Books

1. Where can I buy History Austro Hungarian Empire books?
   Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

3. How do I choose a History Austro Hungarian Empire book to read?
   Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of History Austro Hungarian Empire books?
   Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

7. What are History Austro Hungarian Empire audiobooks,
and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
